Margot Tohn announces publication of her first book, “Park It! NYC: Complete Guide to Parking Garages,” as an independent publisher. The book is a comprehensive guide available to the more than 1,110 off-street parking garages and outdoor lots in Manhattan. A multi-color page bordering system conveniently identifies the neighborhood and the 24 full-color maps clearly show each garage and its entrances and exits. Margot left the corporate world in 2005 to start up two businesses – the marketing consulting firm, Marketing Solutions, which provides services to small and medium-sized businesses, and her own publishing company, Park It! Guides. More information is available at www.parkitguides.com.
